## Making History at Burlington House

The Society of Antiquaries of London, founded in 1707, is Britain's oldest heritage organisation and has been the vanguard of investigating, collecting, recording and preserving British History.

The Society's prestigious apartments at Burlington House offer you a space rich in history and atmosphere, surrounded by historical objects and paintings that have been seen in museums and galleries around the world.

We can guarantee an unforgettable experience in a unique and exclusive setting for any corporate, charitable, or private event.

*The ground floor of Burlington House can be hired exclusively for corporate events or by room for smaller meetings.*

## Entrance Hall

The Entrance Hall's grand interior is an ideal setting for receptions and corporate hospitality events.

The Hall can also be used as a registration area, exhibition space, point of sale for merchandise, or general overflow facility when hired in conjunction with the Meeting Room or the Council Room.

The Entrance Hall is 70 m<sup>2</sup> and can accommodate 60 people on its own. However, it is usually hired as part of the Conference Suite or in conjunction with the Council Room with a combined capacity of approximately 100 people.

## Meeting Room

It benefits from air conditioning and natural light, and it is situated on the ground floor with easy access for wheelchair users. It has a digital projector with a 145-inch screen, audio transmitters and loop facility. We can record proceedings, making the room ideal for presentations and awards.

The Meeting Room is 110 m<sup>2</sup> and the maximum capacity is 105 people, and the Entrance Hall can be used to accommodate additional guests.

## Council Room

The Council Room offers a welcoming space surrounded by an historic library and adorned with royal portraits. It is a perfect setting for business, breakfast or boardroom meetings; conference dining; receptions; product launches; media events and exhibitions. The room can be used on its own, or for serving refreshments when hired as a part of the 'Conference Suite' with the Meeting Room and the Entrance Hall.

The Council Room is 39 m<sup>2</sup>. It can accommodate 20 people for a sit-down meal or meeting, and 40 people as a reception area. However, it is usually hired as part of the Conference Suite or in conjunction with the Entrance Hall with a capacity of approximately 100 people.
