

**Coaches**

Coach drivers should avoid Radcot Bridge on the A4095 from Faringdon, and are advised to use the western approach to Kelmscott via Lechlade turning off the A417 Lechlade to Faringdon Road at the Trout Inn. Please follow the 'Kelmscott Manor' signs and do not drive through the village of Kelmscott. Please use our coach bays, adjacent to the Manor entrance, for your passengers to disembark, then reverse 150 metres to the grass triangle to turn your coach round, and reverse back to the coach bays so as to be 'nose out' for your departure. If there are two coaches it will be necessary for the drivers to liaise regarding the time of the first coach departure. Coaches should not exceed a length of 12.5 metres due to these manoeuvres and must reverse in the narrow roads without using nearby private property
